Title	Sanitary Management
Code	703
Status	Active
Adopted	August 8, 2006
Last Revised	May 10, 2016

Purpose

The Board recognizes that safeguarding the health and physical well-being of district students depends upon the cleanliness and proper sanitary conditions of the school buildings and grounds.

Authority

The Board directs that a program of sanitary management shall be maintained in all district buildings and explained periodically to staff members.[\[1\]](#)

The Board directs that standards be maintained to meet requirements set forth by the Pennsylvania Department of Health, Department of Labor & Industry, and any local agency that has jurisdiction.

Delegation of Responsibility

All district facilities shall be inspected regularly for cleanliness and proper sanitation by the Director of Maintenance.

The Director of Maintenance shall develop and supervise a program for the cleanliness and sanitary management of school buildings, school grounds and school equipment pursuant to statute, State Board regulations and requirements of the local and state Boards of Health and the Department of Labor & Industry.

Cleanliness of each school building shall be the responsibility of the building custodial supervisor.

Teachers shall be responsible for the general condition of their classrooms.

Principals shall inspect facilities periodically in the company of the building custodial supervisor and report to the Director of Maintenance any conditions that may threaten the comfort, health or safety of occupants.
